About

The Silk City Global Expo & Startup Business Connect in Bhagalpur, Bihar, is a premier event designed to bridge the gap between traditional craftsmanship and modern entrepreneurial innovation.

Who we are ?

The Future of Business Innovation, Heritage, and Culture

We are the architects of a new economic era for Bhagalpur, where the ancient looms of the "Silk City" meet the high-speed drive of modern entrepreneurship. We believe that true progress doesn't mean leaving the past behind—it means using our 3,000-year-old heritage as the fuel for tomorrow's breakthroughs.

Mission

To empower traditional artisans and nurture emerging startups by providing a dynamic platform for connection, collaboration, and international market access, fostering growth that honors legacy while embracing the future.

Vision

To establish Bhagalpur as a global nexus where rich cultural heritage and cutting-edge business innovation converge, inspiring a sustainable future for artisans and entrepreneurs alike
